**Proposal to amend the Indian Forest Act**

2629. SHRI DEBABRATA BISWAS: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether Government propose to amend the Indian Forest Act;

(b) whether Government have the objective of increasing green cover; and

(c) whether this legislation enables Government to declare deforested land as suitable for emergency afforestation programmes?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI BABULAL MARANDI): (a) Yes, Sir. Government has undertaken a detailed exercise to amend the Indian Forest Act, 1927 to provide for restoration, conservation and management of forests and also to consolidate the various State amendments for providing a uniform law thereby.

(b) and (c) Government have the objective of increasing green cover, in the National Forest Policy, 1988, by massive afforestation programmes with the involvement of people. The legislation under amendment aims to strengthen the provisions of forest protection to safeguard against qualitative and quantitative decline of forests.

**Decay of Nature due to use of Plastic Material**

2630. SHRI K.M. SAIFULLAH: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether it is a fact that considering the World-wise condemnation against plastic as the material being non-biodegradable and non eco-friendly, widespread use of plastic in our country even in non essential place is further decaying the nature;

(b) whether the Ministry have evolved any specific strategy to face the grave situation; and

(c) if not, the Ministry's attitude in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI BABU LAL MARANDI): (a) to (c) Based on the available information, the use of plastsic material including polythene bags is not banned in other countries. However, a proposal to prohibit the use of the recycled plastic carry bags for packing or carrying foodstuffs and other related materials is under consideration of the Government.
